A reinvigorating tour of Iceland's new forest spa and Reykjavík's art hotspots

## Thinkers

- 086 **Adam Nathaniel Furman**  
How have queer spaces shaken up the architectural canon?
- 092 **Cecilia Vicuña**  
Can art untangle and reclaim oppressed histories?
- 100 **Deem Journal**  
How can design add value to communities?
- 104 **Jessica Julmy**  
Can this rosé help us drink more responsibly?
- 108 **Jes Fan**  
Can art and biology come together to break down social constructs?
- 114 **Eyal Weizman**  
Can architectural analysis hold power to account?
- 120 **Francisco Costa**  
How can synthetic ingredients transform the beauty industry?
- 124 **Lesley Lokko**  
Is Africa the laboratory of the future?
- 128 **Arthur Mamou-Mani**  
Can parametric architecture bring us closer to nature?
- 134 **François Champsaur**  
Do we make a design that is alive?
